Information about STEM BP Resources[1]

STEM BP project name	
Primary contact name	
Primary contact email	
Primary contact phone number	

[1] This document displays the content that appears on the NSF INCLUDES Coordination Hub's STEM BP Resources Worksheet. The actual Excel template is formatted in a manner that facilitates the collection of information about STEM BP resources. Note that additional fields may be added as we work with members of the Shared Measures Workgroup to determine the value of collecting other information about their project resources.

Please list each STEM BP resource developed by your STEM BP initiative

Name or title of STEM BP Resource	Resource type *(Use one code below for each resource)*	Year Created or Published	Author(s)[2]	Link[3]
